

Valor ManagedCare™ Program

Valor HospiceCare & PalliativeCare accepts reimbursement of patients in many HMO, PPO and related private insurance provider plans. This includes participation with many commercial companies that provide long-term care policies.

Goal

To provide additional payment options to patients who do not qualify for government or self-pay programs.

Features

- Valor HospiceCare's PatientCare™ Program provides consistent, efficient and effective care for people with terminal illness.
- Valor HospiceCare's PatientCare™ Program offers a full range of services that support not only patients but also their families during a life limiting illness

Benefits

- Valor HospiceCare & PalliativeCare will manage negotiations with private/commercial insurance companies for the provision of quality end of life care.
- A larger proportion of the community is afforded dignity, comfort and peace at the end of life.
