

Valor PrivatePay™ Program

Valor HospiceCare & PalliativeCare offers extended service programs through our Valor PrivatePay™ Program through self-pay arrangements.

Goal

To provide additional payment options to patients and families outside of government, managed care and long term care reimbursement policies.

Features

- Patients and families without customary insurance coverage or those desiring additional services not covered as part of the terminal diagnosis by their providers may receive hospice care via a private pay per diem arrangement.
- All routine services are available at a per diem rate of \$135*, with additional charges assessed for continuous care, respite or inpatient care levels.
- Valor HospiceCare & PalliativeCare will work, to the greatest extent possible, to admit patients without benefits.

Benefits

- Valor PrivatePay™ Programs allows for additional community access to hospice services.
- Provides options for patients and families to receive services not available through current reimbursement programs.

*2008 rate.
